CHAIRMAN'S MESSAGE

The Queenstown Multi-Service Centre (QMSC) currently serves about 65 elderly clients a day and the services include day care, basic health screening, physiotherapy & acupuncture treatments and health & safety education.

In the last financial year, the QMSC organised two major events to raise funds to meet our operational expenditure as well as to refurbish the centre and to expand partially into the second storey.

A Charity Dinner was held on 17 July 2008 and Flag Day on 14 March 2009 and we raised a net amount of \$650,989 and \$46,089 respectively.

In the year ahead we plan to lease from HDB additional space on the second storey and explore with the THKMS on the provision of additional services, and also carryout minor refurbishing works on the first storey.

I would like to express my heartfelt thanks to our Adviser, Mr Baey Yam Keng, fellow members of the Board and our Founding Partners, Queenstown Citizens' Consultative Committee and Thye Hua Kwan Moral Society for the invaluable contributions and guidance.

My members and I will also like to thank all volunteers and QMSC Staff for their diligence, dedication and commitment to the operation of the centre.

Dr. Lim Hwee Sin, BBM
Chairman
